Bashta's Martial Arts holds the philosophy that you cannot know where you are going if you do not know where you've been. Our introductory Tae Kwon Do program is designed for children between the ages of 6 and 12. While learning traditional kicks, strikes and blocks, the student will also be learning balance and coordination. We strive to instill in all our students old world values such as respect and discipline, as well as self control, perseverance, modesty and indomitable spirit.
