Mr. Rich Miller, 42 Pauline Street, West Haven, addressed the Commission and reviewed the variance request. He stated that the couple living in the house are elderly and would like a bedroom and bathroom on the first floor.

Mr. Matt Davis, Assistant Town Planner and the Commission discussed the need for the variance and the T-4 zone regulations that address the lot and building coverage. Mr. Davis stated that it is difficult for a single family home in a T-4 zone to conform to the T-4 zone regulations and that the Zoning Enforcement Officer determined that a variance was needed for the building coverage.

Mr. Vita closed the Public Hearing.

2) 19-6662 102 Central Ave, Section 220, to permit 30.25% building coverage where 25% is allowed and 34.3% impervious coverage where 30% is allowed for an addition & a deck, R-4 zone, Derek Case, Applicant

Mr. Derek Case, Applicant, addressed the Commission and reviewed the variance request for an addition and deck. He stated that there is not a laundry facility in the house. Mr. Case explained that a washer and dryer cannot go in the basement because access to the basement has a drop ceiling and there are no bilco doors going to the basement.

He reviewed the proposed deck with the Commission.

Ms. Cummings asked Mr. Case if he had spoken with his neighbors about the addition and the deck. Mr. Case replied yes and that there were no objections.
