A meeting of the Public Works & Parks Committee was held on Monday, April 4, 2022 electronically via ZOOM due to the COVID-19 Pandemic. The meeting was called to order at 8:24 PM by Betty Wetmore, Chair.

MEMBERS PRESENT: Betty Wetmore, Chair; Jeron Alston, Vice-Chair; Kristen Zaehring; Adrian Webber; Katie Kiely; Marjorie Bonadies

MEMBERS ABSENT: Cory O'Brien

Public Input: There was 1 speaker

The following items were addressed:

1. Order committing to fund Local Transportation Capital Improvement Program Bridge Replacements and Sidewalk Improvement – State Project No. L061-0001 Bridge No. 04168 – Waite Street over Lake Whitney Bridge No. 061-019-Mather Street over Lake Whitney

-- Moved by Mr. Alston, seconded by Ms. Zaehring. DISCUSSION: Mr. Alston mentioned the right away amount is \$25,000 and then asked if there are any known issues for this project. Mr. Grace said he's not aware of any and doesn't foresee any. Mr. Alston asked if there is any chance of people losing land. Mr. Grace said he's not aware of that but will look into it.

Ms. Zaehring said the project references 3 items and asked if this will be an Omnibus Project or separate. Town Engineer Steve White said once the design is in place and ready to bid the State grants us that dollar amount. He said he does not expect it to be done in phases. Ms. Zaehring asked if there is an applying deadline for the grant. Mr. White said the letter says 30 days but the D.O.T. staff said there's some flexibility in it. Mr. Alston said he'd like more clarity on deadlines and Mr. White said he would get those answers.

A vote was taken and the item passed unanimously.

There being no further business the meeting adjourned at 8:36 P.M.

Respectfully submitted,

Kim Renta, Clerk
for Betty Wetmore, Chair
