

Amendment to the Citizen Participation Plan for CDBG-CV Funding:

As necessary in emergency situations, such as COVID-19, the Town of Hamden will, in line with the related HUD guidelines and waivers, modify these participation standards as follows:

- Due to COVID-19, the Town will conduct public hearings remotely, in order to promote short-term flexibility and promote “social distancing” practices.
- The Town will be utilizing HUD’s COVID-19 waiver to shorten the period of public notice and comment to a 5-day period in order to expediently be granted and administer funding.
