THE CELEBRATION

This family-oriented celebration draws 3,000-4,000 visitors. This year promises to be bigger and better with full support and participation from local schools, dozens of environmental exhibitors, a variety of activities, food and shows, all promoting "earth-friendly" services, products and organizations.

INFORMATION FOR EXHIBITORS

- Set-up is 8:00am - 9:30am the day of the celebration.
- After unloading, park your vehicle in the lower lot on the right side of the school.
- Plan to be set up by 9:30am. We also ask that you keep your exhibit assembled until the end of the celebration at 3:00pm. Please abide by this request.
- Please submit exhibitor/activity confirmation form to Joe DeRisi by March 11th, 2022.
- You will be supplied with one six-foot rectangular table and two chairs. Please bring your own table cover. Or pick the "bring your own table option" above.
- Food vendors will be on site for lunch, snacks and beverages.

Earth Day 2022 will model sustainable celebration. All participants will be asked to prevent waste by bringing only recyclable materials, consulting RecycleCT beforehand. At the event there will be containers for food waste, blue containers for recyclable materials and green containers for trash. Check signs and ask one of our trained recycling volunteers for assistance.

Thank you for your interest in attending Hamden's 2022 Earth Day Celebration!
