Hamden Earth Day Celebration
Saturday, April 27, 2024, 10am-3pm
Hamden Town Center Park 2761 Dixwell Ave.

Exhibitor / Activity Confirmation Form

Name of Exhibit / Activity: ________________________________

Contact Name(s): ______________________________________

Contact Phone Number(s): ________________________________

Contact Email: __________________________________________

Name of People stationed at Exhibit / Activity: ________________

We prefer exhibitors bring their own table, chairs and canopy. This is an outdoor event, there will not be electricity available to individual tables.

Are you able to bring your own table and chairs?        Yes        No

Explain your Exhibit / Activity. What will it entail? ________________________________

Please list any giveaways: ________________________________

We are looking for Environmentally Educational questions for our Scavenger Hunt. If you have a question you wish to be considered (committee will choose 10-12 questions), please write it here along with the (short) answer: ________________________________
Exhibitors and Vendors: Please be earth conscious and offer dishware and other items that are recyclable / biodegradable and minimize the use of single use containers. Take home recyclable containers to wash and then recycle them at home.

Email this form to Joseph DeRisi at earthday@hamden.com or mail to: Joseph DeRisi, Hamden Government Center, 2750 Dixwell Avenue, Hamden, CT 06518 by Friday, April 13th, 2024. Please forward any questions to Joseph DeRisi at jderisi@hamden.com or call 203-287-7021 or 203-287-7100.

“Hamden's Earth-Friendly Scene” FREE ADMISSION
Fun for the Kids!

THE CELEBRATION
This family-oriented celebration draws 3,000-4,000 visitors. This year promises to be bigger and better with full support and participation from local schools, dozens of environmental exhibitors, a variety of activities, food and shows, all promoting “earth-friendly” services, products and organizations.

INFORMATION FOR EXHIBITORS

- Set-up is 8:00am – 9:30am the day of the celebration.
- After unloading, park your vehicle in the lower lot in the designated lot.
- Plan to be set up by 9:30am. We also ask that you keep your exhibit assembled until the end of the celebration at 3:00pm. Please abide by this request.
- Please submit exhibitor/activity confirmation form to Joe DeRisi by March 31th, 2024.
- You will be supplied with one six-foot rectangular table and two chairs. Please bring your own table cover. Or pick the “bring your own table option” above.
- Food vendors will be on site for lunch, snacks and beverages.

Earth Day 2024 will model sustainable celebration. All participants will be asked to prevent waste by bringing only recyclable materials, consulting RecycleCT beforehand. At the event there will be containers for food waste, blue containers for recyclable materials and green containers for trash. Check signs and ask one of our trained recycling volunteers for assistance.
Thank you for your interest in attending Hamden's 2024 Earth Day Celebration
